

## **Supplemental Application Submission Requirements:**

Below are supplemental documents required for the MFA Directing Program Application found on the Graduate School website.

### **1. Statement of Purpose:**

This statement should speak to your interest in FSU and personal goals you wish to achieve while in the program and in your professional career.

### **2. Portfolio:**

Please submit a link to your website or upload production photos or prompt books, etc., that you would like to include. This is any information that tells us more about your work as a director.

### **3. Directing Philosophy:**

This statement should reflect your values and purpose as a director and your general approach to directing.

### **4. Concept Statement:**

This statement is a concept for a play or musical you have directed or would like to direct. In addition to articulating your artistic vision for the piece, please state what draws you to this play, why at this time is it important, and what do you hope to say to the audience and in what way.
