

Prescreen Guidelines – Acting

Overall Guidelines

Each piece should be filmed/uploaded as a separate piece of media. No continuous videos.

Slate

You may either do a separate SLATE video introducing yourself OR you may SLATE your name and monologues at the start of each video.

Time

Monologues and wild card videos are recommended to be between 60-90 seconds each. A little bit over or under is fine.

Monologues

Students should prepare two contemporary monologues from published plays.

Wild Card (Optional)

This can be anything that lets us get to know you a little better. It can be a sharing something you love to do like cooking or a craft or demonstrating a special skill like juggling, tennis, a magic act, or an instrument. Be creative and have fun.
