

Prescreen Guidelines – Music Theatre

Overall Guidelines

Each piece should be filmed/uploaded as a separate piece of media. No continuous videos.

Slate

You may either do a separate SLATE video introducing yourself OR you may SLATE your name and songs/monologues at the start of each video.

Time

All songs, monologue, dance, ballet, and wild card videos are recommended to be between 60-90 seconds each. A little bit over or under is fine.

Songs

Students should prepare two contrasting pieces

- One song written before 1970 from a musical
- One song written after 1970 from a musical

Monologue

Students should prepare one contemporary monologue from a published play.

Dance

Students should prepare two dance videos

- Dance 1: Any style of dance that shows off your dance and movement abilities
- Dance 2: Ballet video/combination that includes pli , tendu, grand battement, pirouettes en dehors (turns) and grand jet .

Wild Card (Optional)

This can be anything that lets us get to know you a little better. It can be a sharing something you love to do like cooking or a craft or demonstrating a special skill like juggling, tennis, a magic act, or an instrument. Be creative and have fun.
