

CHARACTER BREAKDOWN

EVE/NICOLE: Eve is an ecologist. Nicole is a thirty something international movie star.
This character handles/uses a theatrical firearm (non-functioning prop) during the show.

DR. ANNA GERBER/LILY: Dr. Anna Gerber is twenty-two years old and one of the top climatologists in the US. Lily is twenty-two years old, and, as she will quickly tell you, Nigerian-British and just out of RADA.
This character handles/uses a theatrical firearm (non-functioning prop) during the show.

GEORGE/JAKE: About thirty, George is a bad boy. Jake wishes he were.

DAVID CAXTON: Fifty-something, and way too tan and fit to be a writer.
This character handles/uses a theatrical firearm (non-functioning prop) during the show.

MARIA: Forty-seven years old, a first-time studio film director.

LARRY: The science advisor. Sixties, a climatologist.

THE PA: The nameless, faceless person who is working right now to make your life better and you don't even know it.

OFFSTAGE VOICES: Walkie voices, Sound Guy, First AD, anyone and everyone.
